

Summer Clay Camp at The Pottery Place

The Pottery Place will be offering clay camps for children ages 7-14. Each day the campers will begin a new project based on a theme. Themes change each day so children get a variety of experience working with clay techniques to create their own masterpieces. Each child will be given instruction on the pottery wheel to explore working with clay other than hand building.

Camps offered are both morning and afternoon. Morning session is 9-11:30. Afternoon session is 12:30-3.

Cost is \$155.00. This includes all instruction, clay, glazes and firings. (\$50 deposit due to hold spot in camp)

Check off which camp you would like to attend.
